

Dear Parents, (Cl. XI)

The eventful session 2024-25 closes today. It was a landmark as we celebrated the Silver Jubilee of our establishment. We are sure that students will always cherish the memories of this session.

Std. XII is a Board class and their future will depend on their good results in the Board Examination. However, we feel that many students were not serious and are not fully groomed academically because of their frequent absence from school. There are certain learning gaps which can be filled only with a lot of sincerity and regularity on their part. I hope that students will now work very hard in the interest of their bright future. Students who are not regular will be dealt with very strictly and their names forwarded to the Board.

The new session will commence from 2nd April 2025. Kindly note the following regarding the same.

- ❖ **Summer Timings** : 7:15a.m. – 12:35 p.m. (Monday – Friday)
7:15a.m. – 11:45 a.m. (Saturday)

Students should be in school by 7:10a.m. Late comers will be returned.

- ❖ **Books & Note Books**: Books and Registers must be covered properly with brown sheets.

- ❖ **Uniform**: A tidy, correct and well fitting uniform adds to the child's smartness. So please send him/her very neatly dressed to school.

Please note that the grey fabric recommended for trousers is JCT 91 only. In case we find the fabric different, you will have to change it. Further, the boys' trousers should be pleated. Also note that the monogram on the shirt/blazer should be of our standard design and colour scheme only. Kindly arrange for at least two sets of uniform. The girls are expected to wear proper suits. The length of the kurtas and pants should be as recommended or you will have to get it altered. Sports uniform is compulsory and should be worn on Wednesday.

- ❖ **Discipline**: We expect students to follow the school rules and remain in proper discipline. If any student is caught indulging in any kind of indiscipline he/she will be suspended and expelled if the behaviour continues unchecked.

Students who are not regular will be dealt with strictly and their names forwarded to the Board. 75% attendance is compulsory as per CBSE.

- ❖ We do not permit our students to use scooters/motorcycles. It is unlawful to drive without a driving licence. The vehicles, if used will be parked at the owner's risk. There have been cases of accidents due to reckless driving by students. School will not be responsible if they are caught by the traffic police. So please advise your ward accordingly. Any student caught with a mobile phone in school will have to suffer a penalty of Rs.500/-. The phone will be confiscated for two months.
