NOTICE

11th March, 2025

Dear Parents, (Cl. Nursery)

Congratulations! Your ward has successfully completed the second year of schooling.

He/She was fortunate to have been with us in our Silver Jubilee year and I am sure will always remember it. Throughout the session, students participated in a number of activities and competitions for their overall development. They are now prepared to move to K.G.

The new session will commence from 3rd April 2025. You may note the following regarding the same.

- ❖ **Summer Timings** will be followed
8:15 a.m. - 12:00 noon
Students should be in school **by 8:00 a.m.**
Many parents were not punctual in dropping their wards. It affects our system and also the children's progress. So kindly take care this time.
 - ❖ **Books & Note Books** All the books and note books must be covered properly. Please do not use staples while covering them. Cello tape may be used instead.
 - ❖ **Uniform:** A tidy, correct and well fitting uniform adds to the child's smartness. So please send him/her very neatly dressed to school. Please arrange for at least two pairs.
 - ❖ You are requested to report with your wards to meet the class-teacher and submit the work books & stationery articles on 1st April, 2025 between 8:30 a.m. and 10:30 a.m.
- Please inform the new Class Teacher about the mode of conveyance used by your ward. The name of driver, Van or Rickshaw no./ Regn. No. and his mobile no. should also be given to her. The same person must come to pick your child everyday.
- ❖ In case your ward has any medical issue, please inform the class teacher in writing.
 - ❖ You will be added in the new Class Teacher's WhatsApp group for all communication.
 - ❖ **School Fee may be paid:**

CA 30510745791) during fee dates i.e. between 1st and 15th of first month of the quarter. (Please write Name, Scholar No., Class/Sec. of your ward at the back of the DD/Cheque)

School Office will accept fee ONLY with fine after the above dates through DD or card swiping.

Cash payment of fee will not be accepted.

Little children must be allowed to play outdoor and indoor games to develop physically and become mentally strong too. Please do not allow use of mobile phone as it hampers their progress.

We are grateful to you for the support extended and look forward to the same for another rewarding year in school.

Our best wishes and blessings!

Kind regards
